 OTTER  
 WINERY

# The Mango Tango

a dance you will never forget

**History**  
 Johnson's Orchards, Inc. is a family farm in the Blue Ridge Mountains of Virginia at the foot of the Peaks of Otter, just 7 miles from the National D-Day Memorial. Although we grow many fruits for our wine, apples are our main crop. You may pick them fresh from the tree in the fall or select them already picked from our bins. We make our apples into wine, cider and apple butter right on our farm. 540-586-3707. [www.peaksotterwinery.com](http://www.peaksotterwinery.com)
